Profile

I am a BCA graduate passionate about building creative and responsive web applications.
I have a strong foundation in HTML, CSS, and JavaScript, with growing skills in modern frameworks.
I enjoy designing clean, user-friendly interfaces and improving user experiences.
I am eager to learn new technologies and stay updated with industry trends.
My goal is to start a successful career as a web developer and contribute to impactful projects.

Education

Bachelor of Computer Application (BCA)
Merit Haji Ismail Sahib Arts & Science College
06/2024 – Present | Pernambut , Vellore Dist
My coursework has provided me with a strong foundation in computer programming, web development, and software concepts.
I have gained hands-on experience in coding, problem-solving, and developing web-based projects. This academic background has strengthened my technical knowledge and prepared me for a career in the IT and web development field.

Languages

- English
- Tamil
- Urdu
